THE

MOULDING

COMPANY

ARCHITECTURAL MOULDINGS

IN-STOCK MOULDINGS
& COLLECTIONS

TMC is a family owned and operated business, distinctively serving the Greater San Francisco Bay Area since 1969. We started out as a wholesale distributor supplying wood trim to hardware stores throughout California. In 1994 we noticed the Bay Area was missing a “quality” architectural moulding retailer so we decided to expand the business. Already having the needed resources, we decided to offer our products and services to contractors and home owners. We opened our first retail showroom in Concord and enjoy seeing patrons who have shopped with us for over 24 years.

Adding a retail store to our wholesale business in the mid 90’s opened a new and untapped market. As the housing market grew – so did TMC. This abundant growth, especially in Silicon Valley, and the desire to meet the needs of our customers, gave us the opportunity to open 2 more showroom/store locations — Santa Clara in 2002 and Millbrae in 2005.

Customer service, quality products, and competitive pricing are TMC top priorities and always have been. We offer a wide variety of interior and exterior moulding products including window trim, crown moulding, baseboard trim, door casings and more. Our current staff of over 50 employees proudly serve homeowners and contractors all over Northern California. We offer contractor discounts, help customers with design and provide free delivery with a \$250 minimum purchase. Whether you visit one of our beautiful showrooms or have material delivered to your job site, you will experience why TMC continues to be rated the “Best” in the Bay Area.

We look forward to serving you soon!

WHAT’S WHAT

GENERAL INFORMATION

SYMBOLS

ALD -	ALDER
CEDAR -	CEDAR
CH -	CHERRY

WINDSOR ONE BOARDS

WINDSOR ONE PROTECTED BOARDS

Protected Boards are made of real wood, finger jointed and coated with three coats of acrylic latex primer. All boards are protected with a 30 year warranty against rot, insects & mold. WindsorONE® Protected Trim Boards can be used for both interior and exterior use. The back of all WindsorONE® Protected Trim Boards contain an ink stamp ("WindsorONE+ Protected" or "WindsorONE Protected") to be easily identified.

PROTECTED S1S2E
